## ABOUT US

Gold Orchid Events Management is a full-service event management company that was created by combining together our passion for business and events planning.

We are located inside our ultramodern dome tent in Hai Gabat Residential Area within Juba City limits, approximately 500 meters from Juba International Airport, adjacent to Sahara Hotel. The dome's floor space measures 1,950 square meters and can accommodate up-to 2,500 people.

Our strength is in the fact that we are a one stop-shop when it comes to events planning. On top of our dome tent, we have ultra-modern sound systems, lights, trusses, elegant seats, wide screens, photography and videography among other equipment.

Our VIP lounge is furnished with plush furniture awaiting your occupancy. We have in-house deco experts, event planners ready to actualize the vision of your event.

We not only organize exquisite events, we organize mesmerizing moments for you, because events may be forgotten but moments will last a lifetime.

Whether you are looking for collective information about managing an event, we are eagerly waiting to illuminate your events with our innovation.

We offer complete event planning and management solutions ranging from theme events, private parties, weddings, conferences, fashion shows, product launches, brand activation, award ceremonies, trade shows, music concerts, among others.

At Gold Orchid our events photographers and videographers are equipped with ultramodern cameras and equipment to make your special event memorable. The videos can be beamed live on our screens and we have capability of live streaming for friends and family who would like to attend the event virtually.

Gold Orchid photographers and videographers will assist with the event setup and provide excellent customer service to ensure that things will run smoothly before, during, and after the event.

## LIGHTS

Effective lighting, like all other event venue design processes, is based on an equal measure of creative inspiration and logical decisions.

At Gold Orchid we have the most advanced intelligent lights that can produce extraordinarily complex effects. They include a variety of intelligent moving heads and hundreds of mode lights within the venue. Our lighting system allow our lighting technicians to assign multiple attributes, including direction, color, shape as well as intensity.

Whether it is a large-scale concert, a wedding, a variety show, or a small music party, rendering the atmosphere with light effects, highlighting the concept of music expression, creating live effects, has an irreplaceable role.

Our lighting technicians are equipped with an intelligent light controller that helps them achieve any lighting effects that your event needs.

In addition to intelligent lights, we have hundreds of fancy chandeliers ornate and hanging suspended inside the dome tent. When you walk into our grand dome tent, you'll experience the beauty of the light fixtures adorned with sparkling crystals.

## LED SCREENS

Gold Orchid has a large LED screen installed adjacent to the main stage of the dome tent. The screen measures 8 X 3 meters. In addition, we have two other side screens that measure 3.2 X 2 meters.

The LED screens are large format display, where each pixel is made up of a small group of LEDs. These are mounted onto panels in an array and then multiple panels are joined together to create a full image.

The screens enable you to enjoy video playback during your event and may also be used for presentations during conferences and seminars. We can also provide 2 other 3.2 X 2 meters screens at your request.

## CATERING

A delicious and tasty meal is what every person looks forward to when attending any event. Whether it is your wedding, a party, company event, anniversary, a get together or a ceremony, we will ensure you get the best catering services possible.

At Gold Orchid we offer high end, delicious and affordable catering services for your special event. If you need a bar to serve alcohol beverages kindly ask our event managers.

## FLOWER ARRANGEMENT

Flower arrangements are an important part of the ambience on any occasion such as weddings, birthdays, parties or any other event in life.

At Gold Orchid we offer an array of beautiful floral arrangements suited for your occasion. Our artistic teams are trained to recreate your vision using traditional, western and oriental floral. We design floral arrangements according to use such as bouquets, table centerpieces, baskets and inverted overhead gardens.

Floral arrangements also come in fan shapes, elliptical, vertical, horizontal, triangular, and crescent, s shape, oval and cascade. All these variations are done by our internal teams as per your desire.

## OTHER AMENITIES

We also offer equipment such as confetti machines, pyro machines, dancefloor, red carpet, flooring services, ceiling installations, monogram and different designs and implementations as per the client's needs.
